19.1.- GENERAL REGULATIONS

1. Entrance to this zone is exclusively reserved for active users and technical staff.
2. People who claim that they have sufficient technical mastery are permitted access to the facilities.
3. Entrance to this zone gives the right to use it for a maximum of 1 hour and 30 minutes on the same day, within the opening times established by the Centre.
4. It is forbidden to carry out any activity that puts the physical integrity of the user and/or other users in danger. The qualification of dangerous activity includes, but is not limited to, handling materials and the incorrect use of the Centre's facilities.
5. It is completely forbidden to use any material that could damage the facilities.
6. Users: (i) must respect the right of way of other users and signalling, instructions and directives from the instructors; (ii) must respect turns and no more than one person may jump at a time; (iii) must be prudent when planning and carrying out their exercises.

19.2.- PERSONAL EQUIPAMENT AND REQUIREMENTS FOR ENTERING THE ZONE

1. The use of helmets is obligatory, whether a rigid plastic cover with closure under the chin, or a full-face helmet. The strap must be closed and adapted to fit correctly.
2. We recommend the use of body and limb protectors - particularly back protection.
3. Garments suited to the sport to be practised should be worn, and in all cases we recommend wearing long sleeves and long trousers.
4. It is forbidden to use any kind of metal piece that could damage the installations and/or injure users. The use of sticks is forbidden.
5. Users may enter the zone with their own skateboard, rollers, scooter, skis, snowboard or BMX bicycle. Material may also be rented from the Centre.
6. All active users of this zone must be aged over 6.
7. Active users of this zone must have a minimum knowledge of how to practice the discipline and be aware of their limitations before using the facilities.
8. Sportspeople should maintain a good physical and mental condition.
